Discussion “Types of genres”

Literary Genres

Definition: *categories used to group different types of literary work, such as non-fiction, fiction and poetry.*

What are some other types of genres?

Genre

There are many catagories of stories and books.

Some common ones are:

Alphabet Books

Fairy Tales

Fantasy

Poetry

“How to” Books

Folktales

Mystery

Biographies

Genres of Books

When you speak about genre and books, genre means a *category* or *kind of book*.

All categories of books or stories can be called either fiction or non-fiction.

Fiction

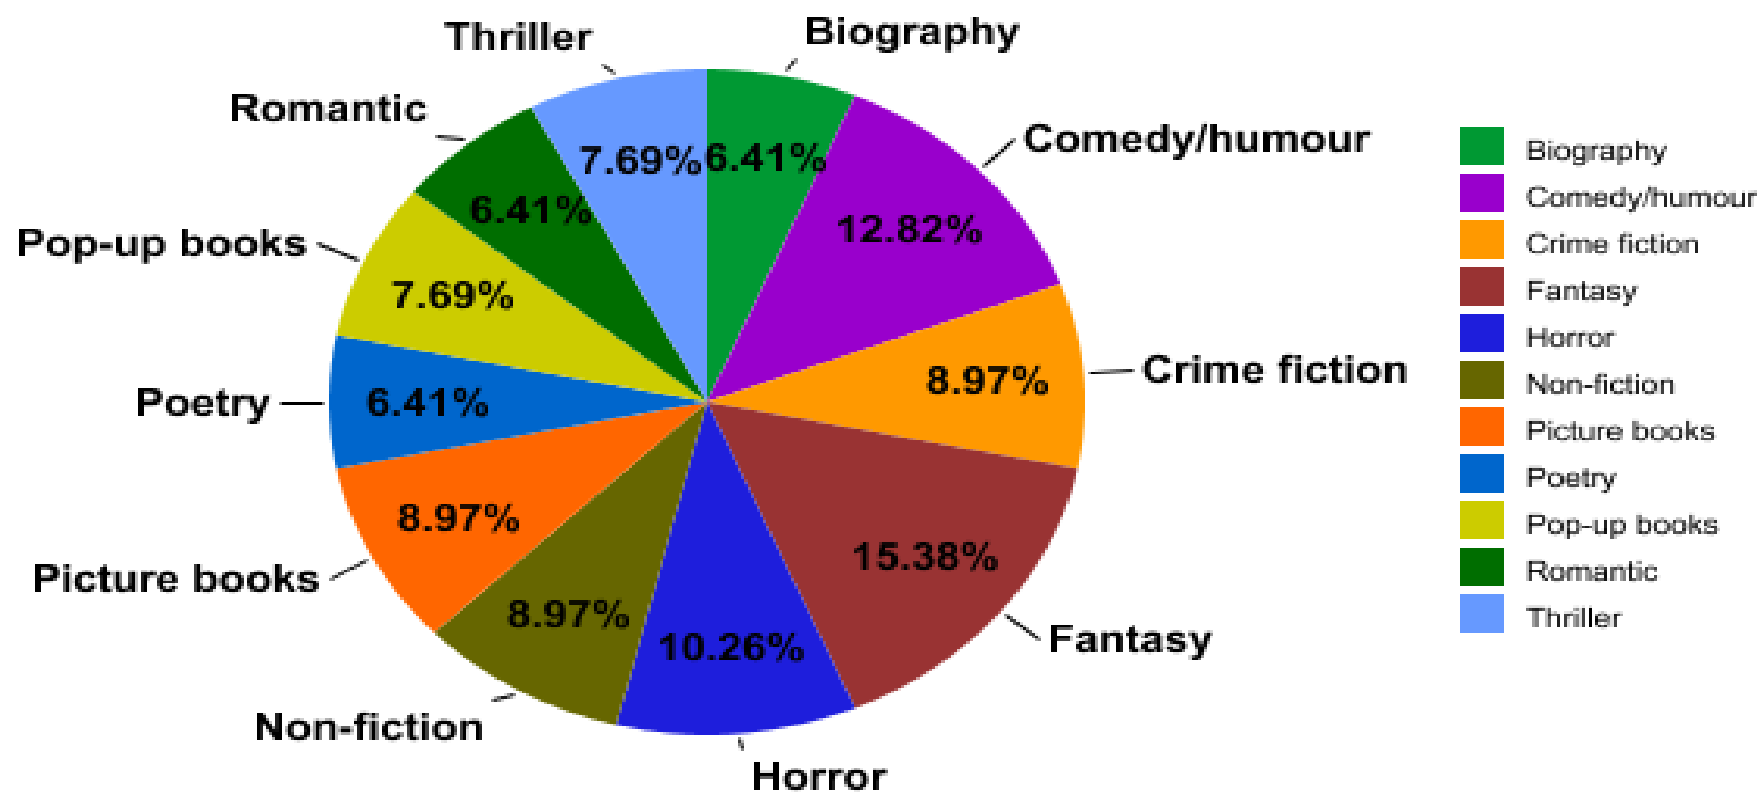

- a made up story
- can tell about things that *could* happen
- is read for fun
- characters may be like real people or imaginary

Non-Fiction

- has facts that can be checked and proven
- the author is an expert on this information
- it IS TRUE!

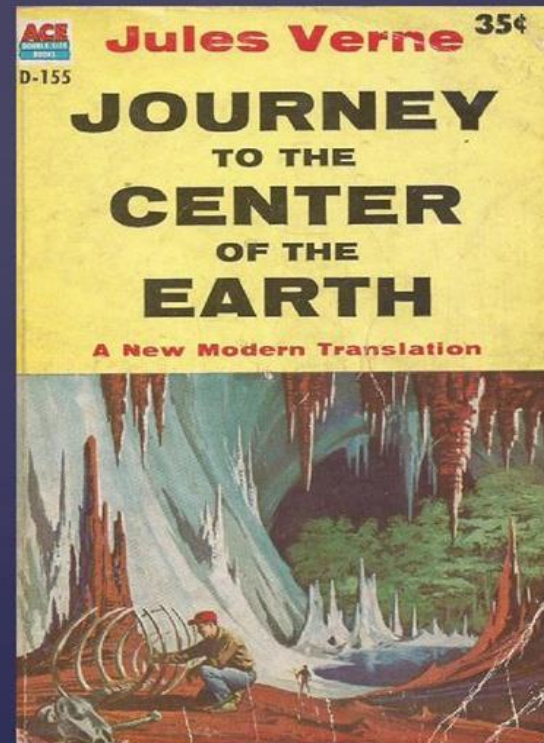

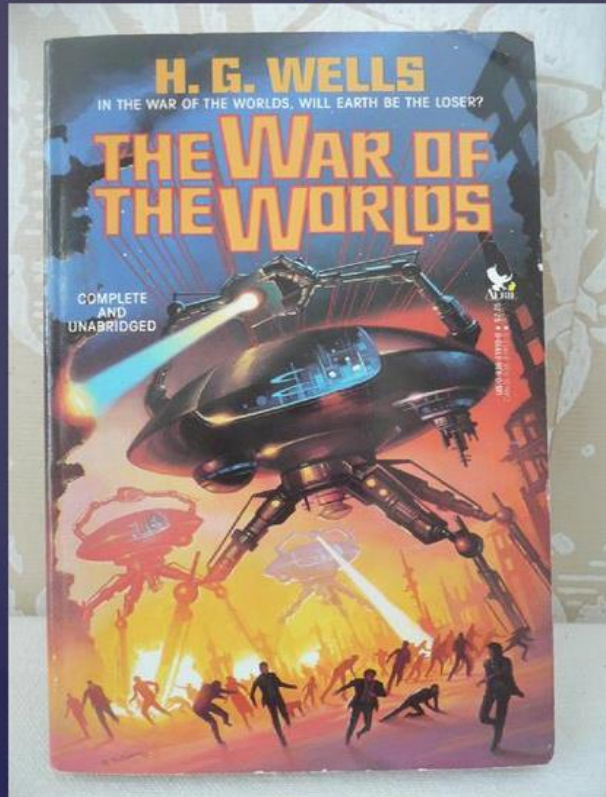

What are your favourite types of books?

SCIENCE-FICTION NOVEL

A story about future, technology,
space travel or time travel
