

2nd semester

Topic 20:

“Guided conversation”

A **guided conversation** is used at the conclusion of an event or experience to review the information taken in, explore our responses to it, interpret its significance, and identify how we will apply it to our own situation.

Answer the questions

- When you should use 'guided conversations'?
- Do you any hints on the guided conversations?

Try to make up a 'guided conversation' using the given words.

Words to use:

- fail
- forget
- arrange
- agree
- deny
- demand
- afford
- avoid
- admit
- love
- like
- hate
- ask
- try
- remember
- want
