

# 2<sup>nd</sup> Semester

# Topic 58: Creating and Building

1. Make up the sentences by using the words given below

- **Building** - a structure that has a roof and walls.
- **Landmark** - an object or building that is easily seen and recognized from a distance, especially one that enables someone to establish their location
- **Architecture** - the practice of designing buildings; the style in which buildings are made
- **Heritage** - the practice of designing buildings; the style in which buildings are made
- **Concrete** - building material that is made by mixing together cement, sand, small stones, water
- **Marble** - a type of hard stone, often with a beautiful lined pattern going through it, that can be highly polished

# Speaking

Describe a building...

- in your hometown
- in your country
- that you really like
- that you visited when you were a child
- that has historical significance

**You should say:**

- where it is
  - what it looks like
  - what it is used for
- and explain why you like/dislike it.**

## **Answer the questions and make some discussion**

1. Do you think it is good to preserve old buildings?
2. Are buildings now better than those in the past? Why?
3. Do you think the government should invest money in preserving old buildings?
4. What aspect of culture do old buildings reflect?
5. What benefits can people get from old buildings?
